Foreword

THIS YEAR the Argos delivers no explicit evangel for Christian education. We have come to think that a yearbook makes an inapt medium for calculated message bearing. Yearbooks have become stereotyped pictorial histories of the things about a school which are most easily pictured and most highly regarded by the citizens thereof. A yearbook's contents and emphasis are a better com-

mentary on the orientation of a school than any self-conscious and superimposed recitation of the ideals of Christian education. A tree is judged by its fruit, not by its name. If a school is really Christian, the evangel is superfluous. If it is not, the evangel is incongruous. And so, this year the Argos speaks for itself. It tells you about St. Norbert High School, 1952-53, as seen and evaluated by its own students.

The Student Council is the student government machinery of St. Norbert High School. All classes are represented by boarder and day student representatives. The Council makes formal presentation of student requests to the administration. The officers for this year were: John Gibbs, President; Michael Belson, Vice-president; Joseph Desorcy, Secretary; and Joseph Geenen, Treasurer. These officers functioned well as liaison between the students and faculty.

FOOTBALL CHAMPIONS

of the

FOX RIVER VALLEY CATHOLIC CONFERENCE

St. Norbert High school opened its 1952 football season by defeating **Chilton High** school, 20-7 at Minahan Stadium. The Squires took charge from the opening period and were never seriously threatened. Pranke, Anderson, and Baugnet figured in the scoring for the locals. In the first quarter, a Baugnet to Pranke pass was good for 45 yards and a touchdown. The Dillonmen scored in exactly three plays after the start of the second half, with Anderson carrying the mail. It was Pranke again on the third score, going 24 yards after a pitchout from Baugnet. A recovered fumble set up the Chilton score, with Mertens going from the four. Two extra points were by Baugnet via placements. The boys looked good for an opener.

Maybe they looked too good. In the next game they traveled to Escanaba for a night tussle, with **St. Joseph High** school and were rudely treated to a 14-13 loss. The score does not tell how clearly the St. Norbert squad was outspirited. The Green and White was figured to take this one easily,

but the boys in Escanaba hadn't heard about it. It was their homecoming and they made the most of it. St. Norbert scores were by Pranke in the first quarter from the four after two sharp passes, Baugnet to Desorcy set up the TD. Baugnet kicked the point. The second St. Norbert score did not come till the last five seconds of the game, when Baugnet hit Desorcy, Fiss and Gibbs in that order for complete passes, the last one for 8 yards and the tally. The all important extra point failed in two tries, the first being nullified for offside. St. Joseph made good use of passes in setting up both of its touchdowns. What especially marked their play was the obvious desire to win.

Building a commanding 19-0 lead at half time St. Norbert High coasted to an easy 32-12 victory over **Stephenson**, Michigan, on the third of October. It is interesting to note that this same Stephenson team handed St. Joseph of Escanaba a sound trimming earlier in the season. St. Norbert scored the first time they got the ball. Anderson went

for 32 yards on the third play, to hit pay dirt. A few plays later, Baugnet whipped a 17 yard pass to Fiss in the end zone. Both extra points were missed. In the second period, Pranke set up his own short touchdown run by scampering 53 yards to the eight yard line. Baugnet kicked the added tally. In the second half, a recovered fumble set up the Stephenson first touchdown. After a pass and long run by Hoffer, Anderson went over again for the Squires from the 18. In the last quarter, Hoffer scored after a good run by little Tom Johnson.

Held to a 13-13 tie until the fourth period St. Norbert scored twice in the final quarter to defeat **St. Mary of Menasha** 26-13 in the Green and White's first conference tilt. St. Mary scored first after recovering a St. Norbert fumble on the kickoff. The Squires retaliated by moving the ball from the St. Mary 18 in a drive climaxed by a pass from Baugnet to Desorcy which covered 68 yards, air and ground. Baugnet's kick put the Dillonmen ahead, 7-6. St. Norbert increased the

lead when Hoffer went over from the 7, after power football had moved the Green 78 yards. Another fumble donated a tally to the Zephyrs just before the half. In the final quarter, the Squires came to life with two touchdowns, one by Anderson, and one by Hoffer on an interception. Baugnet missed only one extra point.

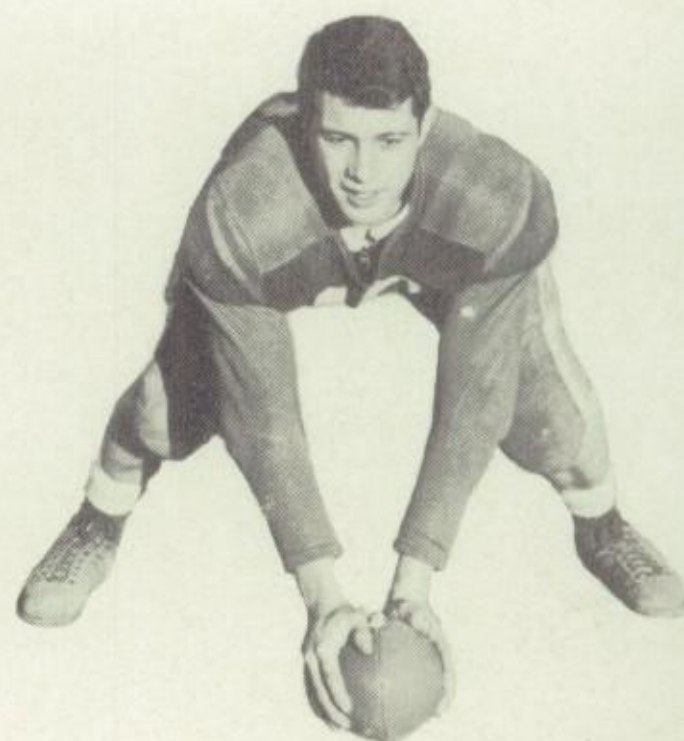

Three fourth period scores, two coming in the final minute and a half, gave the Dillonmen a 26-18 win at **St. Mary Springs of Fond du Lac** October 18. Trailing 18-6 with but 12 minutes left to play, the Squires woke up and scored on two passes and a pass interception. Before they went ahead 20-18 with 1:32 showing on the clock, the Green and White had led on only one previous occasion, in the first quarter, 7-6. Careless pass defense was responsible for the Squires' plight in this game. On the other hand, St. Norbert made good use of the air in scoring its own tallies. Three of their touchdowns came by the aerial route, with Fiss and Desorcy counting from Baugnet, and Anderson going all the

way in an interception in the last 34 seconds. The first TD was by Pranke from the four. The extra points were by Baugnet again.

On October 24, the Squires rose to the heights of the season when they dropped the Dutchmen of **St. John, Little Chute**, from the ranks of the undefeated and unscored on, to the tune of 13-0. The Dillonmen wanted this one, and they would not be denied. Playing hard and smart football, they scored the second time they had the ball against a squad that had not seen its goal violated previously that season. The second St. Norbert score came in the third canto when Baugnet converted for the extra point. The defense was especially brilliant on this night. A goal line stand which pushed the Dutchmen back to the ten, and the slashing defensive end play of Joe Desorcy kept the Chuters on their heels most of the night. As it turned out, this was the win which insured the Squire hold on the conference title.

The Irish of **Lourdes, Marinette** played dogged defensive ball for all of the first half,

but could not hold the dike during the second half, and dropped a 27-6 decision to the St. Norbert squad in a victory that clinched the Conference title for the Squires. The game was played at Minahan Stadium for the Green and White homecoming, November 2. Anderson scored in the last 30 seconds of the first half on the delayed buck which had been his big punch all year. Baugnet converted. In the second half, Gibbs scampered 31 yards around end, and later took a Baugnet pass from the 17 to score, after Anderson had opened the scoring with an eight yard bolt over tackle. Baugnet missed only the last extra point. Lourdes scored its lone touchdown in the last play of the game when Haugh went 50 yards.

St. Norbert High school won the conference title for the third time in the last four years. The victory was especially sweet this year, because it included the abrupt end of St. John's victory skein, a string which included a 1951 win that bumped the Squires from last year's title.

The SCORING

The Squires' opposition for the opening game of the 1952-53 season was provided by **West Green Bay**. However, the Dillonmen lost, 55-51, for a bad start. High scorers for the evening were Joe Pranke and Joe Desorcy with 15 points apiece. St. Norbert tasted victory for the first time by defeating **Denmark High** by the close score of 51-50. It was a see-saw affair, but St. Norbert was out on top when the all important final second ended. Joe Desorcy scored 26 points for the winners. On November 25, an early lead proved helpful as the **Maryheart** Eagles came close to tipping the Squires, but eventually lost in the final minutes, 66-57. The Squires were doped to win this one going away. It was a kind of augur for the season, which saw the Dillonmen run hot and cold without much pattern to guess on.

Stephenson High became the third victim in a row, falling to the Squires by an undeniable margin of 67-41. Joe Desorcy again led the scoring with 19 points. St. Norbert won their first Fox River Valley Catholic conference game by defeating **St. Mary Springs**, 57-56, on a free throw with 20 seconds remaining in the game, after watching a 15 point lead disappear in the last 6 minutes. Fred Ophoven led the winners with 21 points. In a thrilling overtime battle, December 9 at Van Dyke gym, **Lourdes of Marinette** saw the Dillonmen outlast them by scoring 9 points in the overtime period. Fred Ophoven again led the Squires with 30 points, but Payette of Lourdes topped him with 32. St. Norbert squeezed by **St. Mary of Menasha**, 50-49, when Joe Pranke dropped in a free throw after the game was over. This marked the Squires' third conference victory, the second by one point. High scorer for St. Norbert was Joe Pranke with 16. On Decem-

ber 16, the St. Norbert team met a humiliating defeat at the hands of a strong **Central Catholic** of Green Bay aggregation, 74-36. The Central team was unusually hot. They could not seem to do anything wrong. St. Norbert seemed to be overawed, and lacked the drive for a comeback spurt. Joe Pranke, however, led the scorers of both teams with 16. **East Green Bay** handed St. Norbert their third loss of the season by the score of 53-49 in a close tilt. Joe Pranke again led all scorers with 24 points. It was close until the last quarter when the Red Devils pulled steadily away to the final margin. St. Norbert regained their winning ways with a close victory over **Lourdes** on a last minute basket, 54-53. The game was played at Marinette, where the Shamrocks are always tough. Joe Desorcy led the victors with 14 points. The Green and White once again trampled the **Stephenson** Eagles in a free-scoring game, 70-46 on January 20. Joe Pranke led

the scoring with 23 points. For the second time, the **West Green Bay** Wildcats defeated the Squires, this time by the score of 59-55. Once again it was a close game, but the victory-hungry Cats were not to be denied. Bud Geenen was high scorer for the locals with 14 points. With Joe Pranke leading the way with 32 points, St. Norbert gained another conference victory over **St. John of Little Chute**. It was close all the way, but the horn found St. Norbert on the long end of a 75-64 score. **St. Mary of Menasha** stepped off to an early lead, and held it all the way to a 62-52 win at Menasha. Joe Desorcy led the way with 18 points, but it wasn't enough to prevent another conference loss. The Zephyrs held their 10 point edge most of the way. **St. John of Little Chute** piled up a lead which even a final surge was not good enough to whittle away, and St. Norbert lost another conference game to the tune of 70-65. Joe Pranke led the

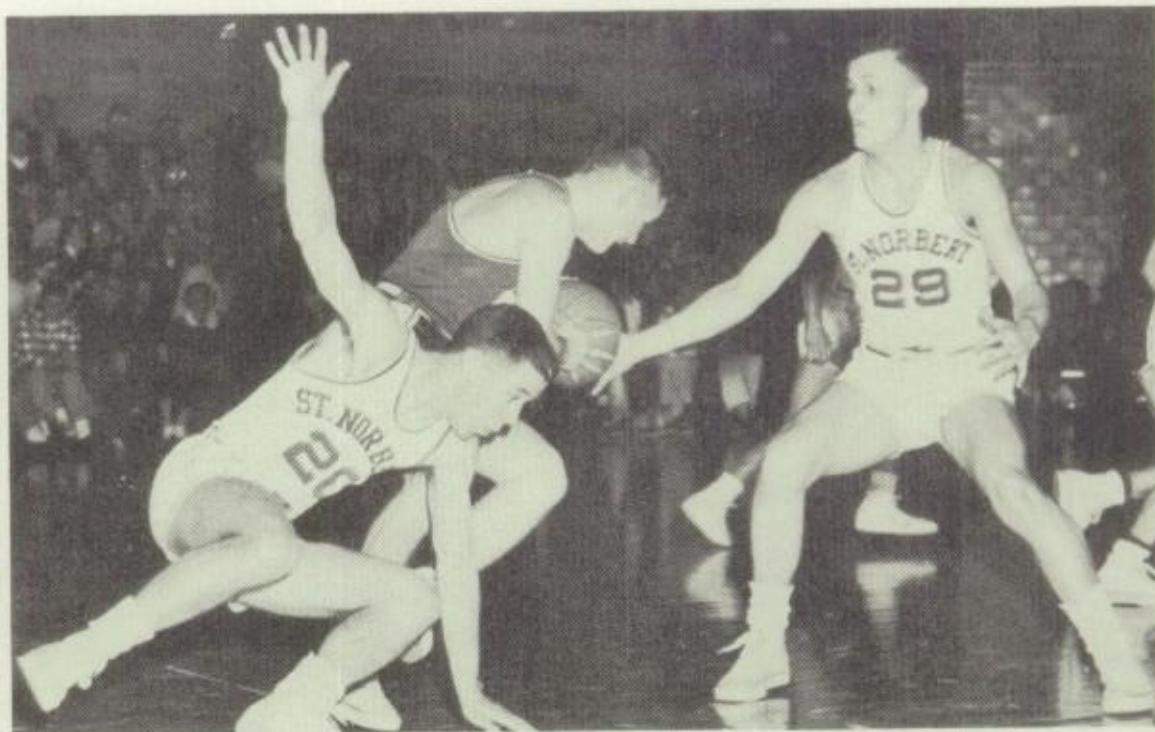

scorers with 25 points. This loss put the Squires out of the running for the title. In a non-conference tilt, a small but fast **Mary-heart** team came within a hair's breadth of upsetting the Squires, but lost finally, 68-65. Joe Pranke led scoring again with 14 points, with much assistance from the team. St. Norbert evened up a previous defeat when they handed **Central Catholic**, the league champions, their only conference loss. The Squires were the underdogs, but proved again that they can never be taken lightly on their own floor. The win was a team product, but Joe Desorcy led scoring with 15 points. Final score was 56-48. The State Catholic Invitational Tourney found **Notre Dame of Milwaukee** tipping the Squires in the opener, 47-43. Chuck Fiss led St. Norbert scoring with 10 points. The Fox Valley Conference got a boost when **St. Mary of Menasha** went all the way against the best to cop the state title.

The members of the Junior Varsity are the future hopes for varsity competition. While it is not always safe to predict on the basis of past performance, especially before players have developed fully, it can be said safely that the up-and-comers do not promise any regression when their record is compared with that of the "old men." The youngsters won 10 and lost 8 in over-all competition, and won 5 and lost 4 against conference rivals. The Junior Varsity was built around Tomasini, Fiss, VanErt, Jansky, and Comerford, although many others got valuable experience also.

Errors and lack of hitting once again proved fatal. In the State Catholic tournament, St. Norbert faced **Waukesha Memorial** and was defeated 6-2 in an extra inning game.

CHEER LEADERS

Left to right: Berens, McCormick, Swanson, R. Piper, Conard, Brei.

Carrying on the excellent progress made in the last few years, the cheer leaders grew in number, equipment, and repertory. The guiding light was the moderator, Father Ambrose Peeters, who was zealously abetted by Father Robert Cornell. A number of very clever pep rallies was staged, and there was a noticeable effect on the enthusiasm of the student body. The trend toward gymnastics in pep leading was adhered to, and careful practice produced polished results at the games.

The yearbook is one of the things that the students like about going to school. Perhaps the reason for this is that receiving it tells the students that the school year has come to an end. This publication is the one thing, other than his own memories, that one can carry with him throughout the years to remind him of the days spent at St. Norbert. The job of preparing the yearbook is begun in September and it lasts until the book is sent to press late in the school year. Those working on the staff receive no benefit other than that of personal satisfaction in seeing their work being enjoyed in the hands of the other students.

HI-TIMES

The Squire sharpshooters gather each week on the rifle range to increase their knowledge of riflémanship. With the guidance of Master Sgt. Alfred Henningsen of the college ROTC department the fellows learn of the care of their weapons, rifle range courtesy and safety, and most important of all—marksmanship. Starting with only a nucleus of two men from last year's team, this year's squad developed into one capable of disposing of their opponents quite impressively. Officers heading this year's club were: Steve Ariens, captain, Stan Smits, secretary, and Ed Weidenfeller, treasurer.

Rifle

Choir

The choir, under their moderator, Fr. De Leers, has again completed an excellent school year. Although a half credit is issued to the students, the real attraction is the relaxation and feeling of accomplishment for the participants. The results of their practices in the club room were displayed at the Christmas party, where they sang carols. Their prime interest, however, is in liturgical music, in which they do both polyphony and plain song. The group sang at graduation last year, and has been singing the student high Mass regularly each Saturday. They look forward to expansion.

The N-Club membership is limited to those students who have earned one major letter in any sport. One of the more active clubs on the campus, it is under the direction of Coach Dillon. It has promoted the boxing bouts, and sponsored the annual homecoming dance. The green letter jackets seen worn by most seniors each year who have lettered in two or more sports are contributed by the N-Club. The appearance of the New York Clowns basketball team, one of the major attractions this year at Van Dyke gymnasium, was also sponsored by this Club. Jim Gevers and Ted Cass are Prexy and Veep respectively, with John Gibbs secretary, Chuck Fiss treasurer, and Jim Quinette sgt. at arms.

One of the most successful student organizations on every Catholic boarding school campus is the altar boys' society. Here it is known as the Knights of the Altar. It is most important that the members are capable of their duties, so dignified is the position that they hold in assisting the priest. This is the only limitation of membership. Under the guidance of the moderator, Father Francis Clabots, the organization has again achieved the high standard which was set up in the past. The members elected officers for the year. These include Joseph Desorcy, Charles Fiss, John Gibbs, and Mike Brei, who hold the offices of president, vice-president, secretary and treasurer respectively.

This year's Sodality can go down as a most active society in the school. Through the initiative of Father Robert Finnegan it received the spark to get things done. The purpose is a greater devotion to our Blessed Mother, with the motto, "To Jesus through Mary." They have certainly lived up to this. During Lent they set up vocational exhibits in the classrooms, and collected money for the missions. They also published a daily Mass "ordo," and set up holy water fonts. In outside work the Sodality sponsored a magazine drive, and conducted an essay and poster contest on Catholic Press Month.

Sodality

Third Order

The Third Order of St. Norbert is the oldest organization of its kind in the Church as well as on the campus. This year, an attempt was made to join forces with the College members, but the apathy of the older men forced the high school men to act again as an independent group. The moderator, Father De Leers, strove, by using weekly discussion meetings and daily public prayer, to make the students more aware of their dignity and obligations as Christians, and of the great need in this day for young men of courage who are willing to follow Christ no matter what the cost may be in goods or reputation.

The Camera club, under the able leadership of its moderator, T. Michael Smith, had a quite successful year. Two general means were used to further the photographic knowledge of the members. Meetings were regularly held with guest speakers to explain some particular feature of the art. In addition, practical experience was gained by the members through actual darkroom work. Some of the pictures in this book are the products of the club members' efforts. Photography is in itself a fascinating hobby, and membership in this club made it more so by teaching the full exploitation of equipment.

Camera — Band

Now in the second year of its existence, the band is making good progress considering the difficulties involved in its operations. There is very much competition from sports, since the practice times coincide. Band directors have changed frequently. Mr. Ed Kennedy was followed by Tony Darner and John Henze. With high school youths, nothing succeeds like success. There will probably not be wholesale enthusiasm for the band until the pioneers now working so hard get more opportunity to show what they have learned. When polished performances hit the air, membership will have to be restricted.

Stamp Speech

The Stamp club is the smallest organization in school, but by no means the least active. The moderator, Father Finnegan, and the president, Roland McFarland, direct a program of monthly meetings involving trades, exhibitions, and mission work, which keep the members interested in stamps.

The Crusade for Reverent Language was begun this year by Father Clabots to stimulate the boys to a better use of the gift of speech. It is encouraging to note that the Crusade met with great success. Regular weekly meetings and poster campaigns made up most of the organization's activities.
